AGENDA ITEM #	6-1

2021-285

Moved by: D. Piekarski Seconded by: R. Hall

That By-Law 2021-27, being a By-Law to deem part of Registered Plan 42M547 in the Municipality of Powassan not to be part of a Registered Plan of subdivision for the purposes of Section 50(4) of the Planning Act.

Carried

2021-286

Moved by: R. Hall Seconded by: D. Britton

That the Council of the Municipality of Powassan concurs with the request in Consent Application B21/POWASSAN/2021 for the severance on Hummel Line by Peter Mechefske.

And requests that the North Almaquin Planning Board issue the following conditions for approval of the subject consent application:

- That confirmation be provided by the applicant that the severed lot can be adequately serviced with private on-site sewage services; and
- That confirmation be provided by the applicant that the severed lot can be adequately accessed from Hummel Line and that an entrance permit can be issued by the Municipality.
- That an MDS report is required.

Carried

2021-287

Moved by: R. Hall Seconded by: D. Britton

Whereas the Truth and Reconciliation Commission (TRC) released its final report on June 2, 2015 which included 94 Calls to Action to redress the legacy of residential schools and advance the process of Canadian reconciliation;

And Whereas the recent discoveries of remains and unmarked graves across Canada have led to increased calls for all levels of government to address the recommendations in the TRC's Calls to Action;

And Whereas all Canadians and all orders of government have a role to play in reconciliation;

And Whereas Recommendation #80 of the Truth and Reconciliation Commission called upon the Federal Government, in collaboration with Aboriginal peoples, to establish, as a statutory holiday, a National Day for Truth and Reconciliation to ensure that public commemoration of the history and legacy of residential schools remains a vital component of the reconciliation process;

And Whereas the Federal Government has announced September 30th, 2021 as the first National Day for Truth and Reconciliation (National Orange Shirt Day) and a statutory holiday;

Therefore, be it resolved that the Council of the Municipality of Powassan does hereby commit to recognizing September 30th, 2021 as the National Day for Truth and Reconciliation (National Orange Shirt Day) by sharing the stories of residential school survivors, their families, and communities.

Carried

2021-288

Public Works Committee Meeting of September, 13 2021 – DRAFT
Fire Hall, 252 Clark Street

Present:

Councillor Britton
Councillor Wand
Mayor McIsaac
Deputy Treasurer R. Giesler
Public Works Engineering Advisor C. Munshaw
Public Works Foreman S. Toebes
Deputy Clerk/Recording Secretary L. Marshall

Absent:

D. Piekarski, with regrets
R. Hall

Meeting Called to order 6:02pm

That the agenda of the meeting of September 13, 2021 be approved with the following additions:

6.5 Amnesty Day

6.6 Garbage collection September 30 (Wand, McIsaac) Carried

5.1 R. Giesler gave a presentation regarding the ongoing replacement of our existing water meters, of which we have 412 units. The 10-year life span of the original meters is up, and 150 meter recently failed to read during the last billing cycle. Water users are billed an estimate in instances where metered water cannot be ascertained due to failure. In 2017 200 registers for the meters were provided to replace, as necessary when failures occurred however these units are no longer available. 56 remain from the 200, as ongoing replacement has been taking place as necessary. A decision was required regarding the process for replacing meters moving forward. It was estimated by staff that \$87,000 would be the cost inclusive of the meter and labour for the replacement of 200 units. The original cost of the water metering project in 2010 was \$250,000. The new units read the water ultrasonically, and have a limited number of pieces with a 10-year warranty. Installation of the new units will need to be done by a plumber as the existing units were soldered. Members agreed to draft an agreement to receive quotes from plumbing companies to provide assistance with the replacement process.

Moved that R. Giesler be authorized to purchase 100 water meters (Wand, McIsaac) Carried.

5.2 Staff discussed the need for the billing for commercial garbage pick-up to be reflective of the actual waste being collected. Many accounts have been under billed for a long time, as estimates. Council supported staff providing notice to commercial pick-up clients that adjustments will be made shortly to reflect actuals in billing, and that we will be reviewing the user fees associated with the landfill and garbage collection when we conduct a business meeting shortly.

5.3 S. Toebes provided two quotes for a full repair, and a partial solution for a leak in the dome at the public works yard. It was clarified this is not a health and safety issue, and the item will be included in 2022 budget discussions.

5.4 C. Munshaw advised that he has been working with Bell Canada regarding our local infrastructure locates and access as they update to fibre internet in the area, including within the old Town of Powassan limits, and then continuing beyond those boundaries. The cabling will follow along sidewalks in most areas, requiring directional boring and some digging near pole. They hope to complete this work in 2021.

DATE OF COUNCIL MTG.	Sept. 21/2
AGENDA ITEM #	7-1

5.5 C. Munshaw updated the progress on Maple Hill Road. Bruman has been replacing culverts and completing prep work, while there was a small delay with the sheet piling. We expect a new estimated timeline shortly.

5.6 Paving Update – The two areas that require patching on Main and Memorial due to infrastructure work completed this season will be completed by Pioneer at the same time that they conduct work from 2020 that they were unable to complete.

5.7 Other Updates - Duncor completed remedial work on the surface treatment in Trout Creek. The holdback from the original contract will be released after invoicing. 3 street lights have been installed in the areas where they were damaged last season. Ditching has been completed in Trout Creek for the season, in alignment with the larger scale drainage plan and study completed during the last term of Council. This should greatly improve the situation in the area.

6.1 Lagoon Update - That \$ 9701.12 plus hst be approved to complete preliminary work for water sewer capacity be approved. (Mclsaac, Wand) Carried.

6.2 Sidewalk repair and maintenance plans will continue to be provided annually at budget time by staff, supported by assessment studies completed in 2020.

6.3 Hemlock/Hummel intersection update – Signage has been ordered as approved, pricing for pole mounted lighting and brush clearing to take place shortly.

6.4 deferred

6.5 There will be no amnesty day held in the Fall of 2021. Discussions regarding a Spring date will be held at a future meeting.

6.6 Garbage collection originally schedule for September 30th, will be moved to the 1st of October in recognition of Truth and Reconciliation Day.

Next meeting date to be determined by quantity of materials in October for discussion.

Meeting Adjourned 7:40pm (Wand, Mclsaac) Carried.

**The Golden Sunshine Municipal Non-Profit Housing Corporation
Minutes of the Board of Directors Meeting
2021-04**

Tuesday July 20, 2021

A regular meeting of the Golden Sunshine Municipal Non-Profit Housing Corporation board was held on Tuesday July 20, 2021.

Present: Dave Britton, Doug Walli, Debbie Piekarski, Bernadette Kerr and Amber McIsaac -
Temporary Property Manager

Regrets: None

1. Call to order

Resolution No. 2021-21– Moved by Doug, seconded by Bernadette that the meeting was called to order at 9:29 a.m. Carried

2. Additions to Agenda –

Under new business c) Balconies, Side Walks and Retaining Wall

d) Age Qualification for Tenancy

3. Approval of the Agenda

Resolution No. 2021-22– Moved by Doug, seconded by Bernadette that the agenda be adopted with the additions. Carried

4. Conflict of Interest Disclosure – No conflict of interest

5. Approval of the Minutes from June 22, 2021 board meeting.

Resolution No. 2021-23– Moved by Doug, seconded by Bernadette that the minutes from the Board meeting on June 22, 2021 are adopted as presented. Carried

DATE OF COUNCIL MTG	Sept. 21/21
AGENDA ITEM #	8-1

6. Business arising

a) DPSSAB Contract Agreement

Virtual meeting held with Pam, Service Manager and Meghan, Supervisor of Housing Programs, from the District of Parry Sound Social Services Administration Board regarding the GSMNPH operating agreement. Introductions were given and Pam led the discussion. The current operating agreement has expired and needs to be renewed to allow for The Pines to be offered funds to help with operating costs and to continue in the capital projects funding program. 3 years ago, an agreement was struck that included \$30,000 exchange and any unspent revenue, at the end of each year, could be placed in reserve. Pam indicated that the board was looking for \$50,000 but that the 2020 financial statements need to be reviewed by their CFO and proof would need to be shown of significant increases in the buildings expenditures to demonstrate the need for the increase of funding. Length of the contract needs to be decided. It can be from 3-10 years and a contract longer than 3 years could benefit our capital reserves program for projects that will take extended years to complete. Dave spoke on behalf of the board. The GSMNPH is looking for \$50,000 as operating costs have risen. Taxation needs to be monitored and supported by the DPSSAB, insurance increases should be considered, increase in hydro requires attention from the DPSSAB. Pam indicated that these costs could be considered and she would ask Tammy to sit down and meet with Pam and Dave. A further discussion took place, and Pam asked that all supporting documents be sent to her as proof of need for our requests. Rent freeze is expected to be lifted and with an increase of 1.2%. Remaining with the DPSSAB allows The Pines to be part of funds offered through grant structures. They would like information pertaining to projects with estimates, timelines and priorities. Pam is with understanding that we are proposing a scooter shelter and suggested we look at substantial structure with heat and charging capabilities. Other projects she is aware of is new carpet, balconies and accessibility ramps and doors. Additional projects mentioned by the board lighting, Make up air unit, and drainage issues in the parking lot. Pam mentioned possibility of tying paving the parking lot in with the new apartment complex that is being built around the corner. Pam indicated that the GSMNPH take an ask for anything approach and submit project ideas at any time during the year rather than waiting for invitations from the DSSAB. Pam encouraged the board to look at any projects that may be covid related for additional funding. Meagan mentioned a conversation with Shelley whereby decreasing the age of tenancy from 65 to 60 or even 55. A resolution from the board would need to be submitted. The board thanked Pam and Meghan for their time and Amber will reach out to arrange for a tour of the building at a later date.

b) Personal Storage Sheds

Letter present to the board from a tenant with feed-back regarding the proposed storage sheds. Board has decided at this time that the sheds will be put on hold due to the increase cost of lumber in 2021. Item will be added to request for capital funding from the DPSSAB.

c) Scooter Follow Up

Differed to Managers Report

d) Gas Heat

An earlier discussion took place during the DPSSAB virtual meeting.

7. New Business

a) Request for Tub and Toilet Install

Tenant from apt. 103 joined the meeting and introductions were given. Tenant requested to have a new tub installed and a higher toilet. Email read aloud by Amber from Shelly stating *"When the capital project of the washrooms was being completed, I had 2 tenants that were against having their washrooms completed, tenant 103 & 104. The tenant in 103 stated that he liked his higher tub and wanted to keep it and asked if he would be allowed to have it installed in a few years if he felt he needed it. His toilet was put in with the new tub when he moved it which I believe is 3 years ago so he would not be entitled to a new toilet. All of the toilets were not replaced in the building, only the old ones that the plumber felt needed changed. It was 13 out of the 20 apartments replaced. Unless this tenants health has drastically declined, I would not recommend replacing his bathroom this summer. We finished the washrooms in March/April of this year and he still didn't want his done then."* Tenant from 103 advised that this was a grey area and he did not decline the install, and stated he was having a hard time now getting out of the taller tub. Debbie asked for clarification as to why the big tub was put in. The tenant discussed that it was there when he moved in and a wall would have to be removed to take it out. Tenant left the meeting and a board discussion occurred. It was decided that the wall can not be removed and other options can be presented to the tenant. Dave mentioned that the tenant can be offered to switch apartments when one becomes available that has a lower tub. Debbie recommended that an occupational therapist come to the apart and see if anything can be done to accommodate to his health needs, for example installing grab bars or a toilet seat riser. Amber asked to speak to tenant about these options.

b) Vacant board member positions

Dave discussed that there are 3 vacant board member positions with in the GSMNPH, Member at Large and 2 tenant positions. A letter of interest was submitted by Sheila Hodgins for a tenant position. A discussion took place by all members.

Resolution No. 2021-24– Moved by Bernadette, seconded by Doug that Sheila Hodgins has been accepted to fill the vacant tenant position with the GSMNPH. Carried

Amber leads a discussion regarding duties of the new board member. Conclusion of the discussion was that the board member will not need a master key at this time and maintenance policies need to be put into place with a reminder given to the tenants to ensure the new board member does not get asked to complete the duties that have been assigned to the staff of the building. Amber and Debbie will start working on the policy and procedure manual come September.

c) Balconies, Side Walks and Retaining Walls

A quote is needed in following up with the Balcony Structural Condition Assessment that was completed in 2017. Other concrete and masonry quotes are also needed to replace the retaining wall and fix the sidewalks. A discussion took place in regards to possible contractors to complete the work. Amber to follow up. Items will be added to the Capital Funding Projects list for the DPSSAB.

d) Age Qualification for Tenancy

Resolution No. 2021-25– Moved by Doug, seconded by Bernadette, that age 55 will now be the determining factor in which the GSMNPH will accept its applicants. Carried

8. Correspondence

a) Manager's Report

Request presented from a tenant that they would like to have the bathroom tub modified to create a door to walk in and out of tub. Debbie mentioned that there is a hazard for leaks once the tub has been modified and the board agreed. It was decided that the tubs in the apartments can not be modified in any way. Amber will relay the message to the tenant. The annual Fire Inspection was completed by the Municipality of Powassan's Fire Prevention Officer, Ben Mousseau. 2 orders were received, 1 to have the scooters removed from the interior of the building and 1 in regards to repairs needed to be completed by Trans Canada Safety. As of this date all orders have been completed and Ben will be in next week to confirm. A quote presented to fix the lighting as mentioned at the board meeting on June 22, 2021. This will be added to the Capital Funding

Projects list for the DPSSAB as well as stove stop safety elements. Amber led a discussion regarding a meeting that was held over the phone with Lou Fisch from Marsh insurance. Costs are expected to rise by 20% and the lease needs to be amended to have liability insurance mandatory for all tenants. The board asked that this be completed for when tenants resign lease in 2022 when rent increase takes place. Amber notified the board that a N4 has been issued and a rent repayment plan put into place due to a rent cheque not being honored for the month of July from one of the tenants.

b) Financial Report –

Resolution No. 2021-26 – Moved by Debbie, seconded by Bernadette that the board approves the May 2021 Financials that were presented. Carried

Resolution No. 2021-27 – Moved by Debbie, seconded by Bernadette that the board approves the June 2021 Financials that were presented. Carried

9. Next Board Meeting - Tuesday September 7, 2021 in the Common Room @ 9:30am

10. Adjournment

Resolution No. 2021-28– Moved by Doug, seconded by Bernadette that the board meeting be adjourned at 11:20. Carried

Independent Auditor's Report	1-2
Statement of Financial Position	3
Statements of Operations and Accumulated Surplus	4
Statement of Change in Net Financial Assets	5
Statement of Cash Flows	6
Notes to the Financial Statements	7 - 11

Independent auditor's report

To the Members of Council, Inhabitants and Ratepayers of the Contributing Municipalities of the Almaguin Community Economic Development

Opinion

We have audited the financial statements of the Almaguin Community Economic Development ("the Organization") which comprise the statement of financial position as at December 31, 2020, and the statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2020, and its results of operations, its changes in its net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cash and cash equivalents, end of year	\$ -	\$ -

The accompanying notes are an integral part of these financial statements

ALMAGUIN COMMUNITY ECONOMIC DEVELOPMENT

NOTES TO THE FINANCIAL STATEMENTS

Year Ended December 31, 2020

Almaguin Community Economic Development ("ACED") was formed in October 2019 under a joint service agreement between:

- The Corporation of the Township of Perry (Perry);
- The Municipal Corporation of the Township of Armour (Armour);
- The Corporation of the Township of Ryerson (Ryerson);
- The Corporation of the Village of Sundridge (Sundridge);
- The Almaguin Highlands Chamber of Commerce (the Chamber of Commerce);
- The Corporation of the Municipality of Magnetawan (Magnetawan);
- The Corporation of the Municipality of the Village of Burk's Falls (Burk's Falls);
- The Corporation of the Township of Strong (Strong);
- The Corporation of the Village of South River (South River);
- The Corporation of the Municipality of Powassan (Powassan);
- The Corporation of the Township of Joly (Joly).

With the exception of Joly, each member party contributes equally to ACED. Joly contributes one-half of a share.

At commencement, ACED assumed the operating responsibilities of the Central Almaguin Economic Development Association--operated by Joly, South River, Strong and Sundridge--and of the Burk's Falls and Area Community Economic Development--operated by Armour, Burk's Falls, the Chamber of Commerce, Magnetawan, Perry and Ryerson. In addition, ACED received the net assets of the Burk's Falls and Area Economic Development.

MANAGEMENT RESPONSIBILITY

The financial statements of ACED are the responsibility of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of significant accounting policies is provided in Note 1. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management maintains a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements.

1. SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies adopted by ACED are as follows:

Basis of Accounting

- (i) Accrual basis of accounting
Revenue and expenses are reported on the accrual basis of accounting. Revenue is recognized in the year in which it is earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.
- (ii) Cash and cash equivalents
Cash and cash equivalents include cash on hand, balances held at financial institutions and short-term deposits with original maturities of three months or less.
- (iii) Non-financial assets
Non-financial assets are not available to discharge existing liabilities but are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

ALMAGUIN COMMUNITY ECONOMIC DEVELOPMENT**NOTES TO THE FINANCIAL STATEMENTS**Year Ended December 31, 2020

(a) Tangible capital assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Borrowing costs related to the acquisition of tangible capital assets are expensed in the year incurred. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Land improvements - 20 years

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets received as donations are recorded at their fair value at the date of receipt.

(iv) Government transfers

Government transfers are recognized in the financial statements as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the Statement of Operations as the stipulation liabilities are settled.

(v) Pensions and employee benefits

ACED accounts for its participation in the Ontario Municipal Employee Retirement System (OMERS), a multi-employer public sector pension fund, as a defined contribution plan.

(vi) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. These estimates and assumptions are based on management's historical experience, best knowledge of current events and actions that ACED may undertake in the future. Actual results could differ from these estimates.

ALMAGUIN COMMUNITY ECONOMIC DEVELOPMENT

NOTES TO THE FINANCIAL STATEMENTS

Year Ended December 31, 2020

2. TANGIBLE CAPITAL ASSETS

The tangible capital assets of the Burk's Falls and Area Community Economic Development were transferred to ACED in 2019. Details of these assets are provided below.

	2020	2019
	Land Improvements	Land Improvements
COST		
Balance, beginning of year	\$ 33,025	\$ -
Contributed capital assets	-	33,025
BALANCE, END OF YEAR	33,025	33,025
ACCUMULATED AMORTIZATION		
Balance, beginning of year	2,642	-
Amortization	1,651	413
Accumulated amortization - contributed assets	-	2,229
BALANCE, END OF YEAR	4,293	2,642
TANGIBLE CAPITAL ASSETS-NET	\$ 28,732	\$ 30,383

3. ACCUMULATED SURPLUS

The 2020 continuity of accumulated surplus reported on the Statement of Financial Position is as follows:

	Balance Beginning of Year	Annual Surplus (Deficit)	Balance End of Year
OTHER			
Tangible capital assets	\$ 30,383	\$ (1,651)	\$ 28,732
General operating surplus	-	12,566	12,566
Unfunded employee benefits	(273)	273	-
	\$ 30,110	\$ 11,188	\$ 41,298

ALMAGUIN COMMUNITY ECONOMIC DEVELOPMENT**NOTES TO THE FINANCIAL STATEMENTS**

Year Ended December 31, 2020

4. BUDGET FIGURES

The budget adopted for the current year was prepared on a modified accrual basis, and has been restated to conform with the accounting and reporting standards applicable to the actual results. A reconciliation of the adopted and reported budgets is presented below.

	Budget
ADOPTED BUDGET:	
Change in general operating surplus	\$ -
ADJUSTMENTS:	
Amortization of tangible capital assets	(1,650)
ANNUAL DEFICIT	\$ (1,650)

5. RELATED PARTY TRANSACTIONS

The related party transactions below are in the normal course of operations and are measured at their exchange amount, which is the amount of consideration established and agreed to by the related parties.

The following table summarizes ACED's related party transactions with its contributing members during the year:

	2020	October 1, 2019 to December 31, 2019
Member contributions		
Perry	\$ 10,000	\$ 2,999
Armour	10,000	2,999
Ryerson	10,000	2,999
Sundridge	10,000	2,999
Chamber of Commerce	10,000	2,999
Magnetawan	10,000	2,999
Burk's Falls	10,000	2,999
Strong	10,000	2,999
South River	10,000	2,999
Powassan	10,000	2,999
Joly	5,000	1,499
	\$ 105,000	\$ 31,489

At the end of the year, amounts due from contributing members are as follows:

Armour	\$ 19,283	\$ 6,342
--------	-----------	----------

The amounts due are non interest bearing, with no specific terms of repayment.

ALMAGUIN COMMUNITY ECONOMIC DEVELOPMENT

NOTES TO THE FINANCIAL STATEMENTS

Year Ended December 31, 2020

6. SEGMENT DISCLOSURE AND EXPENSES BY OBJECT

Since ACED's operations are not considered diverse and operations are managed as one department, no segment disclosure has been provided. Supplementary expenses by object information has been omitted as it would not provide additional information not readily determinable from the financial information provided on the Statement of Operations.

7. PENSION AGREEMENTS

ACED makes contributions to the Ontario Municipal Employee Retirement Fund (OMERS), which is a multi-employer plan, on behalf of certain members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2020. The results of this valuation disclosed total actuarial liabilities of \$113,055 million with respect to benefits accrued for service with actuarial assets at that date of \$109,844 million indicating an actuarial deficit of \$3,211 million. Because OMERS is a multi-employer plan, any Plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, ACED does not recognize any share of the Plan surplus or deficit.

The amount contributed to OMERS for 2020 was \$11,987 (October 1 to December 31, 2019 \$1,496) for current service and is included as an expense on the Statement of Operations.

8. IMPACTS OF COVID-19

Since December 31, 2019, the spread of COVID-19 has severely impacted many local economies around the globe. In many countries, including Canada, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of nonessential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

ACED has received a NECO grant under the Regional Relief and Recovery for Small Business program in the amount of \$26,600 and has distributed these funds by way of grants to qualifying local businesses.

While governments and central banks have reacted with monetary and fiscal interventions designed to stabilize economic conditions, the duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of ACED for future periods.

The Little Free Library (LFL) Project in Powassan

Ask

The Powassan & District Union Public Library is asking permission to install a LFL at Memorial Park at the corner of Main and Memorial Park.

What is a LFL?

Little Free Library is a registered non-profit organization that promotes neighborhood book exchanges, usually in the form of a public bookcase.

It is a **free book-sharing box where anyone may take a book or share a book**. They function on the honor system. You do not need to share a book in order to take one.

What are the benefits?

1. Supporting Literacy: Little Free Library book-sharing boxes improve book access and thus help tackle low literacy rates. By providing books all year round and every day of the week, they can mitigate the "summer slide" where kids' reading skills slip. Many libraries in Ontario have embraced adding LFL within their community and have taken the opportunity to add information on the benefits of joining the local community library.
2. Supporting Tourism: By installing a LFL at Memorial Park and making books available there, the public will truly "*have somewhere beautiful to go and read a book (free and accessible) with some fresh air¹*" in Downtown Powassan.
3. Supporting a local high school student: Alex Degagne will build and decorate the LFL with his father's help in order to fulfill some of his volunteer hour's requirements.

Long Term Commitment

The library commits to maintain the LFL and keep its contents current and up-to-date. In the future, if there is a time when it is no longer required, the library will dismantle and remove the LFL.

To: Maureen Lang
Subject: We'd like to hear from you: Rail Safety Week 2021 Proclamation request
Attachments: RSW2021_Resolution_Canada_Fr.pdf; RSW2021_Resolution_Canada.pdf

cn.ca

Dear Ms. Lang:

Don't forget to adopt the Rail Safety Week 2021 Proclamation

Rail Safety Week will be held in Canada, the United States, and Mexico from **September 20-26, 2021**. As a proud neighbour of your community, CN is committed to help prevent accidents and injuries at rail crossings by collaborating on efforts to raise rail safety awareness to help keep your fellow citizens safe.

We want to remind you of this important opportunity to become a powerful ally in rail safety efforts by adopting the attached resolution in support of Rail Safety Week. Like many other municipalities, by adopting the resolution your council can help prevent injuries in your community and save lives.

Please send a copy of your proclamation by e-mail to Marie-Pier.Triganne@cn.ca or by mail to the address below and let us know about your plans to promote rail safety in your community.

CN – Marie-Pier Triganne
935 de la Gauchetière Street West
16th floor
Montreal, Quebec
H3B 2M9

For questions or concerns about rail safety in your community, please contact our Public Inquiry Line at 1-888-888-5909. For additional information about Rail Safety Week 2021, please consult cn.ca/railsafety or operationlifesaver.ca.

Sincerely,

Stephen Covey
Chief of Police and Chief Security Officer

DATE OF COUNCIL MTG.	Sept. 21/21
AGENDA ITEM #	12-1

(Draft Resolution)

RESOLUTION IN SUPPORT OF RAIL SAFETY WEEK

Whereas *Rail Safety Week* is to be held across Canada from September 20 to 26, 2021;

Whereas it is in the public's interest to raise citizens' awareness of the dangers of ignoring safety warnings at level crossings and trespassing on rail property to reduce avoidable deaths, injuries and damage caused by incidents involving trains and citizens;

Whereas Operation Lifesaver is a public/private partnership whose aim is to work with the public, rail industry, governments, police services, media and others to raise rail safety awareness;

Whereas CN has requested City Council adopt this resolution in support of its ongoing efforts to raise awareness, save lives and prevent injuries in communities, including our municipality;

It is proposed by Councillor _____

seconded by Councillor _____

It is hereby **RESOLVED** to support national ***Rail Safety Week*** to be held from September 20 to 26, 2021.

Dear Sir/Madam:

**Re: PROVINCIAL OFFENCES ACT
INTERMUNICIPAL SERVICE AGREEMENT**

DATE OF COUNCIL MTG	Sept 21/21
AGENDA ITEM #	12-2

Since March, 2020 the COVID-19 pandemic has resulted in tremendous disruption to the normal operations of the Provincial Offences Act court services, including the adjournment and rescheduling of matters and the suspension and extension of timelines established by any statute, regulation, rule or by-law. As of the time of the Municipal Partner's meeting held on November 13, 2020, all in person matters had been adjourned at least six different times. Normal court operations remain disrupted at this time.

As discussed at the Municipal Partners meeting, the group for the first time is facing a deficit. It was decided at that time that members would be invoiced for their share of the deficit amount. Please find enclosed your respective invoice.

While the pandemic continues, the news while a bit brighter, is not great. I am advised that in comparison to the end of July we were showing a deficit of \$60,507.00 as compared to \$191,587.00 in 2020. Part 1 tickets as of the end of July are at 3,108 as compared to 3,596 last year.

As of July 31, 2021 there were still 543 trials to be booked plus the new ones that come in on a daily basis. As for Part 3's, August 20th and August 27th were dedicated to either set dates for trial in absentia or have the defendants re-summoned if need be. Those are matters where the individuals have not made any efforts to call in for their first appearances which would have been scheduled as of March 16, 2020 when the pandemic started. There were 178 lines on the August 20th docket and 228 on the 27th of August, in addition there was also current ones added as they came in.

The Prosecutor's work has continued unchanged except for finalization in court either through trial or guilty plea. The Prosecutor handles a large volume of cases, screens files, identifies outstanding disclosure and evidentiary issues and problems, takes positions on resolution and generally ensures that the file is ready for court. The Prosecutor continues to respond to agents and defendants who ask to discuss resolution, and continues to resolve matters that are resolvable. Above and beyond that, the Prosecutor continues to reach out to agents who have not asked to discuss resolution, where a file is resolvable from her perspective, to help prevent any unnecessary backlog. In short, the ongoing work of the Prosecutor and her staff continues behind the scenes.

Similarly, the work of the Provincial Offences Administration Centre continues as is required. That office has also reached out to defendants who have been charged since March 16, 2020, inviting them to request disclosure in order to discuss potential resolution of their matters.

Where and when possible, Provincial Offences Administration Staff have been redeployed to offset the effect of the deficit.

We will continue to keep you informed of any major developments.

Yours truly,

PETER E.G. LECKIE

Resolution No.: 2021- 337

Moved By: Margaret Ann MacPhail **Seconded By:** Joe Lumley

Whereas on June 9th, 2021, the Municipality of Magnetawan forwarded a resolution to the Administering Municipality advising they were giving one (1) year notice that they were withdrawing from the Almaguin Community Economic Development Agreement;

And Whereas the Almaguin Community Economic Development Agreement, article 2 states that the agreement will expire when the CIINO grant for regional economic development expires;

And Whereas on June 10th, 2021, the Municipality of Magnetawan was advised, by the Administering Municipality, that based on the present forecast the Almaguin Community Economic Development Agreement will only expire at the end of September 2023;

Be it resolved that the Council of the Corporation of the Township of Perry acknowledges the resolution from the Municipality of Magnetawan but requests that the Municipality of Magnetawan respect the engagement they made through the Almaguin Community Economic Development Agreement and continue to be part of the Almaguin Community Economic Development Board until the CIINO grant expires.
