The Heart of Good Living

**TENDER ADDENDUM
MAIN STREET-NORTH HILL**

**DESCRIPTION
ROAD RECONSTRUCTION**

ADDENDUM NO. 2 TO CONTRACT

Bidders are hereby advised that the original Tender sections shall be amended to include or amended by the following Addendum Sections. Any references in the Tender to these sections shall also refer to this Addendum:

1. Division 'B' – Page IT-7, Section 15) Proof of Ability:

The following statement sheet is to be added to this section (See page 2 of Addendum No. 2).

STATEMENT SHEET

Statement A – Contractor’s Experience:

Statement B – List of Senior Supervisory Staff And Experience:

Statement C – Construction Plant Details:

2. Division 'C' – Page FT-6, Section E) Valley View Dr E Property Drainage:

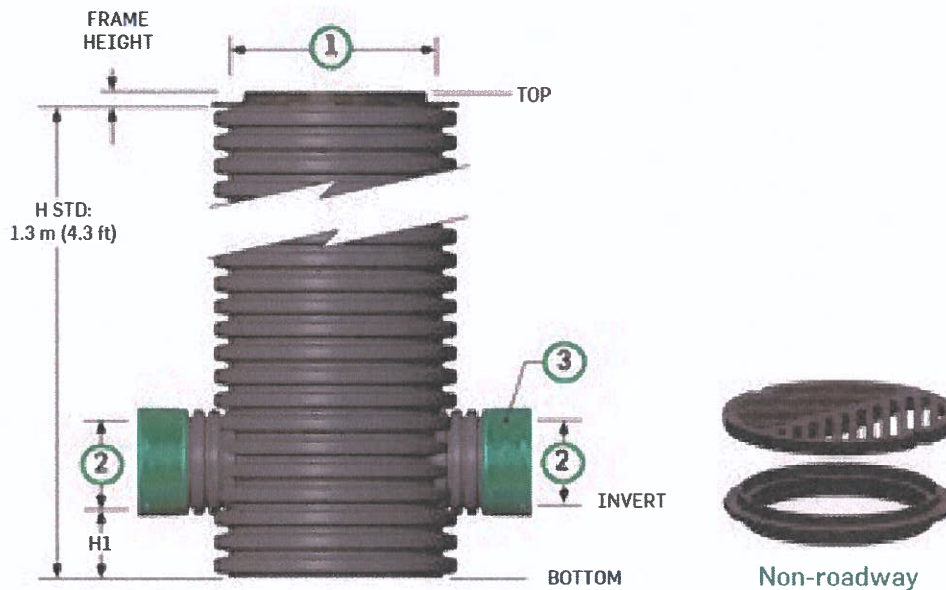

Item #E4: Storm Pipe c/w backfill materials; Est Qty= 16.5m shall be amended to the following:
Installation of storm pipes, catchbasins and manhole c/w backfill materials; Est Qty = 90m.

As per statement, please replace the quantity in the Form of Tender from 16.5m to 90.0m

Additionally, the Bidders are informed of the following:

The Municipality of Powassan will supply the HDPE pipes and HDPE catchbasins/manholes (See contract drawings page RD1 construction notes) to be installed by the Contractor and the installation will be paid for under Item #E4.

For further clarification to the Contractor, the catchbasins and manholes will be of HDPE composition and will be completed with the installation of a cast iron grate (supplied by the Municipality). HDPE catch basins/manholes provided by the Municipality will be equivalent to SOLENO, see figure below.

3. Division 'F' – Page SP-28, Section 37.11) Item B.1 - Subdrains:

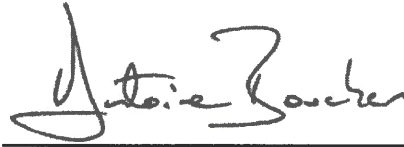

The following amendment shall be added to this section:

Subdrain trenches shall be backfilled with Granular 'B' Type II, and shall be placed/compacted as per granular materials S.P. The price of granular backfill shall be include in the subdrain unit price and will be paid as a linear item.
