THE MANNEQUIN

July 8, 2026

Dear Property Owner,

Please be advised that filming in your area will occur on July 14 – at 7pm until 10pm -

Production crews will be filming a scene in front of 94 King St., where a police cruiser pulls up and an officer comforts a mother on the front step/stoop.

It's a quick little scene and just a few of our production vehicles will be on King St and Joseph St that will arrive at 7pm until 10pm.

The filming of this production will include a School Bus and a pick-up truck.

Mannequin Film Inc has been working with the Municipality of Powassan to minimize disruption while filming in the community. Please see the Cast & Crew Conduct expectations on the reverse of this letter. We appreciate your generous suport and welcome you to observe filming from a safe distance.
